CALL FOR 15 SCHOLARSHIPS
for attendance, board, lodging and Lecture Notes

Thanks to the sponsorship of
Società Italiana di Fisica
Museo Storico della Fisica e Centro Studi e Ricerche "Enrico Fermi"

Conditions for participation:

Grants are only available to PhD students and young post-docs who are EPS or SIF Individual Members who are up-to-date in the payment of their membership fees.

Selection procedure and criteria:

Awards decisions will be made jointly by Museo Storico della Fisica e Centro Studi e Ricerche "Enrico Fermi" and SIF who will review the applications and decide to which deserving students scholarships can be awarded.

Application procedure:

Applications must be made using the application form published on the page:
http://www.sif.it/attivita/scuola_energia

To be complete, such requests must be specified in the application and justified in the recommendation letter.

Applicants will be informed of the decision on their admittance within 6 weeks from the beginning of the Course.

Grant recipients will receive an EPS-SIF certificate of participation.

Applications must be sent to: Gianluca.Alimonti@mi.infn.it

Deadline for application: 30 April 2014.
